ORDER

THIS MATTER comes before the Court on Defendant's pro se Motion for Compassionate Release/Reduction of Sentence, (Doc. No. 237), and on the Government's Motion to Dismiss, (Doc. No. 244). Defendant, an inmate at Allenwood Medium FCI, seeks a reduction of his sentence based on the COVID-19 pandemic.

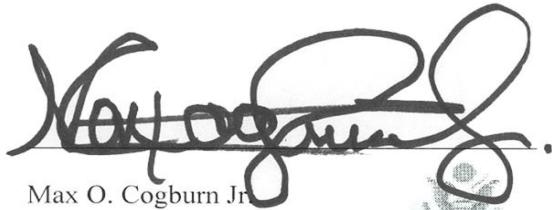

Title 18, Section 3582(c)(1)(A)(i) authorizes criminal defendants to request compassionate release from imprisonment based on "extraordinary and compelling reasons." But before doing so, they must at least ask the Bureau of Prisons to do so on their behalf and give the Bureau thirty days to respond. See United States v. Raia, No. 20-1033, 2020 WL 1647922, at *1 (3d Cir. Apr. 2, 2020). Here, as the Government asserts in its brief in support of the motion to dismiss, Defendant did not exhaust his administrative remedies before filing this motion. Therefore, the Government's motion to dismiss is granted and Defendant's motion for compassionate release is dismissed without prejudice to first exhaust his administrative remedies with the BOP.

ORDER

IT IS, THEREFORE, ORDERED that Defendant's pro se Motion for Compassionate Release/Reduction of Sentence, (Doc. No. 237), is **DENIED**, without prejudice to Defendant to refile the motion after he has exhausted his remedies with the BOP. To this extent, the

Government's Motion to Dismiss, (Doc. No. 244), is **GRANTED**.

Signed: December 1, 2021

Max O. Cogburn Jr.
United States District Judge
